

Paper Trail Moron

Paper trail moron (paper trail moron)

Dear Sir or Madam, would you get a clue?

As the brainless leftists roll all over you.

It's all based on their hatred for a man named Bush

And they need to whine, so they have to be a paper trail moron,

Paper trail moron.

It's the sorry story of two pointless men.

To create a controversy was their plan.

So now they're working in the county seat,

If you buy their crap, then you have to be a paper trail moron,

Paper trail moron.

Paper trail moron (paperback moron)

And to prove their case, not a single fact,

while the mindless sheep gladly over react.

throwing money at a problem that does not exist,

I just can't buy in, cause I will not be a paper trail moron,

Paper trail moron.

These self righteous blowhards are a sorry sight,

watch them blow a million for us overnight.

The squeaky wheel always gets the grease,

watch them aim to please all who have to be a paper trail moron,

Paper trail moron.

Paper trail moron (paper trail moron)

Paper trail moron - paper trail moron

Paper trail moron - paper trail moron
